FRIDAY MORNING, DECEMBER [illegible], 1864

Election Frauds in New York

The Democratic papers from the city of New York come to us with professions of holy horror at the charges made against Seymour's agents, of fraud attempted in the New York soldiers' vote According to them the Administration had entrapped some innocent youth in some manner to trump up a charge against these immaculate agents, and the whole charge was a baseless fabrication

The Daily Sacramento *Union* of November [illegible], contains over three columns, giving in full the particulars of the confession of Ferry and Newcomb, two State agents appointed by Governor Seymour to look after the New York State sick and wounded soldiers who made full disclosure of their own criminality Ferry plead guilty, and Newcomb turned States' evidence, each giving full, clear and particular statements of the whole plot, and implicating prominent Democrats in New York State in the conspiracy Dry goods boxes filled with fraudulent votes and certificates were sent to New York State to be distributed to the different offices where the soldiers votes would be counted, for by an act of the Legislature of that State, each soldier previous to the election, could send home his vote, with his certificate to its genuineness, and the votes thus received at each town or precinct, would be opened at the close of the election, at each poll, and counted as if cast in person by the soldier in whose name it was sent

The charge preferred against Donohue and Ferry, was that while "ostensibly authorized as agents of the State of New York" to receive the votes of the soldiers of the United States, who were electors of that State, they received such votes and falsely forged and substituted others instead, but the change seems to have entirely been in substituting McClellan votes, in the place of those cast for Lincoln. While the other two owned to their complicity, Donohue kept up the air of injured innocence to the last, though even he confessed to the signing of a false name in that connection, but claimed that the name was a fiction and not a forgery Some 60 000 names are said to have been thus changed, and twenty men were said to have been constantly at work in Washington for two weeks, besides the villainy perpetrated in Baltimore, where these three were arrested The *Union* gives considerable of the correspondence found to have passed between parties in New York and those arrested, and there remains not a single peg to hang a doubt upon as to the guilt of the parties condemned, and we have Judge Advocate Holt's letter to the Secretary of War, characterizing the whole operation as a great conspiracy against the right of suffrage of the soldiers in the field

Every man can draw his own inference as to the character of the crime, and who is responsible for it. Never before in the history of our country has there been a political party base enough to attempt such a stupendous crime as this, nor whose cause needed to be strengthened by such means.

JACKSONVILLE ITEMS — We gather from the *Sentinel*, that a man named John Chandler, who was somewhat dissipated, was lost near Canyonville, and it seems probable that he has committed suicide.

A man known as Scotch Jimmy was killed by a cave in Missouri Gulch, one mile from Jacksonville.

The man drowned at Umpqua in the stage, was F. S. Douse, who was booked at Red Bluff for Portland

A part of Rock Point bridge was carried away by the late flood, which was one of the greatest ever known in Southern Oregon

Mr Andy Trustee had killed a monstrous grizzly bear and its four young cubs. The old bear had several old bullets in her body, and evidently had been in many conflicts, and showed fight to the last. The night before she was killed, she threatened to attack the houses of the settlers

B. F. Dowell, Esq , was too sleepy to be in time, or would have been on board the stage that was lost in the Umpqua

PRESIDENT'S MESSAGE — During the last few days we have not only furnished our readers with an extraordinary amount of telegraphic news from the East, that had accumulated during the long storm, but have given them the President's message in full as received by the wires. We claim some credit for furnishing all this to our readers at such great expense, and would now respectfully call their attention to the fact that our paper is endeavoring to deserve general support, by individually paying the Telegraph Company for every word of news received by the Associated Press of California, and in addition we are constantly to receive, by terms of contract, all the important items of news transpiring north and south of us from all sources

BALLS OF THE SEASON.—The Oregon *Sentinel* contains nearly a column of advertisements for "balls" which are to come off in that vicinity during the holiday season They are graphic indeed The first one begins, "All promenade to the New Year Eve Ball on Poor Man's Creek " then comes "Opposition to Monopoly" and the announcement of two grand balls by Mad De Roboam, following which is the [illegible] Ball of the Season at the State Creek House " where " great and small babies and all [illegible] promised " good cheer " We hope they will manage to enjoy themselves

WASHINGTON LEGISLATURE —We have it upon good authority, that the Washington Territorial Legislature has adopted a memorial to Congress asking that immediate steps be taken to erect and put in operation the Mint located by the last Congress at Dalles City — *Mountaineer*

The *Mountaineer's* success in getting the news before it transpires renders it entirely independent of the wires

NEVADA STATE ELECTION (OFFICIAL) The following is the official vote of the late election in the State of Nevada including the soldiers' vote For Union Presidential Electors 9,826 For Copperhead, 6 591

Of all the people claiming to be civilized at the present day those of the Confederate States alone are advocates of slavery and ownership of property in man

WASHINGTON CITY ITEMS.—[illegible] Bell [illegible] presented to President Lincoln the gold box containing the golden [illegible] his friends in California [illegible] President [illegible] beautiful gift and expressed himself again and again as more than ever anxious to visit a State which produces such wonderful things and such generous people

The body of Major General [illegible] killed at the battle of Cedar Creek was brought up to this city and embalmed and [illegible] was shipped for City Point to be conveyed to his friends in Richmond [illegible] to take the body home [illegible] division of cavalry during the [illegible] "siege" of this city

A singular sight was presented this afternoon when twenty four rebel cannon of various patterns and thirty five caissons were drawn down Pennsylvania avenue. They were the trophies of Sheridan's prowess at Cedar Creek and were headed by Brigadier General [illegible] Chief of Cavalry of Sheridan's army [illegible] mark not at all [illegible] — *Cor. Sacramento Union*

THE PLACERVILLE STAGE ROBBERS —Of the Placerville stage robbers and those who were indicted with them [illegible] was convicted of murder and sentenced to be hung. Hodges was convicted on same charge and sent to the State Prison and [illegible] tried in this city, [illegible] Judge McKune during the December term of [illegible] Court The cases of [illegible] and Hodges have each been carried to the Supreme Court while applications for new trials will be asked by counsel In addition to the District Attorney of El Dorado county the trials at Placerville were conducted by J. C. Goods and N. Greene [illegible] of this city and Shafter, of San Francisco, who were retained by Wells Fargo & Co. We understand that this house having expended some $5,000 in the case already, will not employ counsel at any of the future trials, either in the cases pending in the Supreme Court if new trials be granted or those which are yet to be tried by Judge McKune It is held by Wells Fargo & Co that the State and El Dorado county together, should bear the burden of the further prosecution of the case as the offense committed is one against the community at large — *Sac. Union*

FRENCH OPINION —There is a great deal of truth and point in the following from the Paris *Debats* of October 12th

The Government of the Confederate States has just called under arms all able bodied citizens from 16 to 50 It is difficult to decide what such a step most proves—the heroism of the South or its exhaustion It must conquer or die That is the extremity to which it is now literally reduced or, rather, if it is thought that no success up to the present time has saved it the situation of the Confederate States will be more correctly defined by saying that they must perish even after a victory

THE WILMINGTON BLOCKADE —The Charleston *Mercury* of October 22d says

From a gentleman just from Wilmington we learn that the blockade at that port is effected by a Yankee ingenuity and an unlimited [illegible] boats can make it They have [illegible] two lines of picket boats [illegible] the alarm of the attempted egress of blockade runners, and as soon as the latter make their appearance the boats throw up rockets and burn blue lights The Yankee arrangements for blockading the port are good and will hold so [illegible] month longer when they will be swept away by the rude blasts of Winter

THE DANISH PEACE [illegible] — The Copenhagen *Dagbladet* of a recent date, remarking upon the [illegible] says that Denmark [illegible] the Duchies [illegible] city of Denmark [illegible] public debt [illegible] fall to [illegible] from Vienna [illegible] October [illegible] coming more [illegible] were being [illegible] favorable turn

SOUND —[illegible] the war broke out, [illegible] Douglas referring to the Southern States, [illegible]

"If they remain in the Union, I will go as far as the Constitution will warrant me in securing their rights [illegible] allowing them [illegible] much slave territory as they can hold at the point of the bayonet."

AUSTRALIAN RETALIATION —The people of Australia [illegible] the English Government in forcing transports and convicted felons upon them [illegible] the treatment [illegible]

The [illegible] gallant conduct in the [illegible] Colonel W. H. Seward [illegible] of the Ninth New York Artillery

A [illegible] Charleston [illegible] says [illegible]

[illegible] In 1850 [illegible] in Westford and thirty [illegible] pickerel were put [illegible] Recently [illegible] bushels [illegible]

There is a smart man in [illegible] weighing 110 pounds He undertook the other day to run around a mile track in sixteen minutes, drawing a sulky weighing 96 pounds in which was seated a man weighing [illegible] pounds. He did it and had four minutes and twenty three seconds to spare.

A Washington correspondent [illegible] something [illegible] on stepping into the White House and asked the President [illegible] The President stated that he had not [illegible] was like the man who climbed the greased pole and then pulled the pole up after him.

[illegible] the [illegible] valley [illegible] the Ridge [illegible] the Alleghanies [illegible]

The news from the valley is not so [illegible] as we expected What was expected [illegible] a victory was turned not by the [illegible] of Sheridan [illegible] by the [illegible] cowardly [illegible] disgraceful [illegible] our [illegible] troops

The [illegible] the suspicion that [illegible] artillery [illegible] position [illegible] What caused this panic? Our men went into the fight well enough [illegible] bravely and gallantly victory attended them [illegible] and urged them to push on all went well because the enemy was flying before them But the moment they saw a new disposition on the part of the foe the first check received they halted, hesitated, turned, fled [illegible] in the twinkling of an eye they were routed and demoralized

There is no propriety in making excuses and plastering over with soft and [illegible] phrases this most infamous defeat To say that our men lost their victory by stopping to plunder the captured camps is an excuse more disgraceful than defeat After four years war the discipline that cannot prevent plundering stragglers from throwing away the gathered fruits of a hard fought battle is criminally defective. The officers that cannot restrain their men from plundering and keep them in the ranks are not fit to command

A change of commanders is demanded in the valley Gen. Early has done the best he could we have no doubt but his mode of fighting is too expensive, in artillery at least A friend writing of the "grand cavalry" fight in the valley, speaks of it as a fight "wherein there were less men killed than there were pieces of artillery taken by the enemy " His last victorious defeat swept away twenty three pieces, and eighteen more just captured from the enemy—forty one in all There never has been a panic under Gen Lee and there never will be, because the troops feel that a [illegible] brave but a wise head watches over them If a flank is turned they feel that if it was not what he wanted the enemy to do at least it was what he was prepared for, and soon would be all right This is confidence When brave and experienced troops [illegible] and retreat as our troops have repeatedly done under General Early, it is because they do not feel that the head that directs them is competent to provide for the exigency that is upon them This panic can be explained in no other way If the army had been new troops fear and inexperience might have accounted for the flight, but it is impossible to attribute either to the veterans whom [illegible] commanded so successfully until at an unfortunate moment he was supposed to be unfit for the arduous duties of an active campaign, and relieved for General Early

The past cannot be [illegible] The captured artillery are no doubt [illegible] now parading the streets [illegible] Yankee [illegible] as the trophies of [illegible] But the future should be [illegible] —*Richmond* [illegible]

A STATE SENATOR [illegible] We [illegible] Hon [illegible] of [illegible] county, State Senator who was absent from the Legislature [illegible] of his [illegible] We are happy to learn that almost [illegible] recovering from her long and severe illness

MEETING OF THE COMMON COUNCIL.—The regular weekly meeting of the Common Council was held at the Council Chamber, at seven o'clock last evening.

Mayor Failing occupied the Chair.

The following members were present—Councilmen Cook, Frazar, Hoffman, McCraken Robertson and Starr.

The minutes of the previous meeting were read by the Clerk and approved by the Council.

The Ordinance passed at the previous meeting of the Council in relation to the city surveys was returned to the Council unapproved, with the following communication:

To the Honorable Common Council: GENTLEMEN—I herewith return to you, without my approval, an Ordinance passed at your last regular meeting, entitled "An Ordinance to establish a Base Line, regulate the surveys of the City of Portland, and establish the boundaries of streets."

The passage of this Ordinance is a matter of great importance, as it will involve the removal of a large portion of the improvements already made; and while it is desirable that the boundaries of the streets shall be defined at the earliest possible time, and I should favor the uniform width of streets and dimensions of blocks as contemplated by the Ordinance before me, if found to be consistent with the interests of the city and the rights of property holders, I have thought it best to submit the Ordinance for your further consideration for the following reasons:

Ordinance No. 69, passed Sept. 29, 1857, directs that permanent monuments shall be erected at certain points, and establish such monuments as points from which surveys may be made.

It is understood that on other occasions the City Council has taken action upon the same subject by resolution.

Sufficient time is not allotted by the Charter for the approval of an ordinance to enable me to search the records, and ascertain what action may have been taken by the Council upon the subject.

I think it important that legal advice be had upon the following points, viz: If it should be ascertained that any lot holders have built upon land, according to the original survey of the streets and blocks by the town proprietors, and the boundaries of the streets under this Ordinance shall differ from the original marks, whether such lot holders have any vested rights to the land so occupied?

Does Ordinance No. 69 (the language of which seems to me ambiguous) define the boundaries or corners of the streets? and if the corners of the streets are so defined, can the city enforce the removal of improvements which are made in accordance with the boundaries established by the Ordinance?

Unless the Council has made a thorough examination of the matter, so as to be satisfied on these points, I recommend that a search of the records be made, with a view of ascertaining what action has been taken heretofore by the city with respect to surveys, whether by ordinance or resolution, and that such legal advice be required of the City Attorney as the Council may deem necessary.

HENRY FAILING, Mayor.

PORTLAND, Oregon, December 15, 1864.

Under the provisions of section 46 of the new city charter, relative to the powers of the Mayor to veto, the Ordinance was put upon its passage and lost, for want of the requisite two-thirds vote.

A communication was received from Mr. W. S. Ladd stating that he was compelled to decline the position conferred upon him as Councilman from the Third Ward, which was accepted.

A petition was received from Messrs. Halton, Harbaugh, McCormick and other property owners asking that the culvert in Columbia street be continued to the Willamette river, in order that they may proceed with private improvements. Referred.

The committee on ways and means reported an Ordinance levying a special and general tax: of [illegible] per cent. on all property within the city, real and personal, for the liquidation of outstanding indebtedness, and the same amount for the current expenses of the fiscal year, which Ordinance passed the second reading and was referred back to the committee for the proper estimates.

The committee on streets and public property reported an Ordinance changing the grade of a portion of Jefferson, Second, Third, Fourth, and intermediate streets, which was put upon the final passage under the suspension of rules and passed.

A communication from Marshal Hoyt, relative to the Police force, was received and referred to the appropriate committee, with an expressed wish that a reliable and efficient system be established.

Claims against the city were laid upon the table.

An Ordinance appropriating $600 for the purchase of a truck for Hook and Ladder Company passed.

Mr. Cook offered a resolution requiring the committee on Judiciary to report an Ordinance fixing the salary and defining the duties of the City Auditor, which passed.

Mr. McCraken offered a resolution requiring the chairmen of the standing committees to submit estimates of the expenses for the different branches of city government, which elicited much argument on financial affairs and finally passed.

On motion Council adjourned.

ATTEMPT AT ARSON.—An attempt was made at an early hour yesterday morning, by some person or persons unknown, to set fire to the Pioneer hotel block in this city, and the most disastrous consequences might have followed had the plan been successful. There is no doubt as to the intent of the parties, that their purpose was for plunder. The fire occurred in the reading room of the Pioneer Exchange Saloon, occupied by Mr. Robert King, and was kindled on the newspaper table, by heaping the files together and applying a match. The flames ascended to the ceiling, burning the wall lining and paper, scorching the plank of the partition, and would have soon penetrated the hard plaster above, but was fortunately discovered in the main office of the hotel, from the glare and reflection on a mirror behind the bar, through a glass door connecting the rooms, when assistance was called by the watchman of the house and the fire was smothered. The front door of the Saloon was found to have been broken open, which leaves no doubt of the commission of arson, and it was the fourth instance, within three months, that the place had been forcibly entered by night. There is a bad state of things existing in the city just now, which is every day the more apparent, and it requires extra vigilance from those in authority, and from individuals, to prevent some calamity that is likely to occur. But recently one of our city officers was possessed of certain anonymous communications, of a startling character, which the deed of yesterday is supposed to corroborate, and there should be a conjunction of action on the part of the fire department, and the police force, for active measures in cases of emergency, and we trust that whenever the den of miscreants is known their flight shall be made impossible, their sentence of justice speedy and sure.

BENEFIT OF MISS MORGAN.—On Saturday evening Miss Julia Morgan will take a benefit at the Willamette Theatre, and it will be the last appearance of this popular troupe in Portland, as they will sail for California on the next steamer. On the occasion of Miss Morgan's benefit Mr. W. C. Morgan will perform the wonderful and dangerous feat of walking a rope, *head down*, from the stage to the top of the dress circle. This has never been attempted by any other person in the world, and we suppose that the house will be filled as there is always a crowd, when an opportunity is afforded for people to see a person hazard a chance of breaking his neck. See bills of the day.

A SMASHER.—A man applied at Chinese wash house on Alder street yesterday, for clean linen or vengeance. Supposing that he did not obtain the former he hit upon the latter, and commenced a work of demolition of the premises. His conduct attracted the Police, and officer Saunders arrested him, when he was so violent that it became necessary to put him in irons.

STAMPEDED.—A drove of prize cattle, for the Christmas market, were creating considerable attention yesterday at the east landing of the Stark street ferry, where they several times stampeded, swam into the river about the boat, etc., before they were secured on board. They were fine stock for beef.

SHOOTING FOR THE FAIR.—Mr. A. B. Stewart and other hunters of the city, propose to devote a few days to the killing of game, for use at the Christian Commission Fair next week.

THE FAIR LAST EVENING.—The ladies of the Methodist Episcopal Church made a very happy effort last evening at the Turn Verein Hall, which was almost densely crowded by the many in attendance upon their Fair, held for the purpose of raising a fund for the building of a new church. The various tables were supplied with the usual variety of fancy articles that ever abound when the fair set their hands and hearts to work. We have [illegible] the glittering illustrated tale of Cock Robin and culminating in [illegible] of [illegible] There was delicious [illegible] ice cream that was well appreciated and patronized and a fish pond that caught many who became anglers. We saw a young "lady out a-fishing," which was so suggestive of thirst that we went and took a drink—of water of course. Then a young gentleman whose modesty is excessive, blushed very red as he hauled out a rag baby. The fish pond was a great feature with the young people. The supper table was a beautiful sight, and was well patronized by an appreciative crowd. The whole was a decided success, especially that striking scene, when a good looking youth, too hospitable though intent, astonished a printing office, and "flanked" it with a huge basket full of everything good—chicken, cake, and lots of nice hot coffee.

GLAD TO HEAR IT.—The Dalles *Mountaineer* says: "Parties who commit offenses against the law in Portland, and come this way to escape the penalty of their crimes, will be deceived, fooled, for our Police keep their eyes and ears open, and to escape their vigilance is next to impossible."

COMMERCIAL.—The bark *New Morning*, Captain Wiggin, leaves this morning for Astoria in tow of the steamer *Rescue*, touching at Springville for a balance of cargo for San Francisco. She will take with her about 150 tons of produce.

NO DISPATCH.—The wires being down between Salem and Oregon City, will account for there being no telegraphic news in our columns this morning.

REV. MR. MINGENS will preach at the Presbyterian Church in this city on Sunday evening, at which time he will present the claims of the Christian Commission. A full house is desired.

J. L. Gumbinner, Front street, advertises that he will sell his entire stock at San Francisco cost price. Give him a call.

Cure Your Cold, Save Your Lungs.

NEWELL'S
PULMONARY SYRUP
HAS
CURED THOUSANDS!
And it will Cure You!

"A Cough is generally the effect of a Cold, which has either been improperly treated or entirely neglected. When it proves obstinate there is
Always reason to fear the consequences,
as this shows a weak state of the lungs, and is often the forerunner of Consumption.—[Buchanan's Domestic Medicine.

STOP THAN COUGHING!

Some of you can't, and we pity you. You have tried every remedy but the one destined, by its intrinsic merit, to supercede all similar preparations. It is not surprising you should be reluctant to try something else after the many experiments you have made of trashy compounds foisted on the public as a certain cure; but

NEWELL'S
Pulmonary Syrup!

is really the VERY BEST remedy ever compounded for the cure of Coughs, Colds, Sore Throat, Asthma, Whooping Cough, Bronchitis and Consumption. Thousands of people in California and Oregon have been already benefited by its surprising curative powers.

WHAT KILLED HIM!

Dr. Hall, in his "Journal of Health," speaking of the death of Washington Irving, asks the above question, and adds: "He might have remained with us for some years to come, had it not been for advice, kindly intended, no doubt, but given in thoughtlessness and reckless ignorance.

He Had a Cold!

Which, by some injudicious prescription, had been converted into asthma." Let me say, to Dr. Hall that that "prescription" was not

NEWELL'S
PULMONARY
SYRUP.

KEEP IT IN THE HOUSE; use it freely, give it to your children upon the slightest indications of a Cold, and you will think and speak of it as all do who have become acquainted with its merits.

Grin and Bear It!

ADDRESSED TO THE PARTY THAT LOST THE ELECTION.

When the battle's fought and lost—
Grin and bear it;
Count not over what it cost—
Grin and bear it;
Think of those who by you stood;
That you did the best you could;
Were the laurel won you'd wear it—
Grin and bear it.

Though your money bet is gone—
Grin and bear it;
And your pile looks quite forlorn—
Grin and bear it;
While your foe may count his pounds,
Yet your honor still remains;
If you bet you cannot share it—
Grin and bear it.

What though your foes may jeer—
Grin and bear it;
Though you're deafened with their cheer—
Grin and bear it;
In a *gallant* fight you fell,
Working manfully and well,
And with pride you can compare it—
Grin and bear it.

When your old chums turn aside—
Grin and bear it;
Drifting onward with the tide—
Grin and bear it;
First it ebbs and then it flows,
And the wind is ill that blows,
Ne'er a good to those who dare it—
Grin and bear it.

THE SEA PIRATES.—The Panama *Star and Herald* of November the 13th has the following in reference to a plot to seize one of the Panama steamers:

Information was received on the 25th of October by the authorities of the Panama Railroad that a plot had been concocted for the seizure of one of their steamers plying between Panama and Central American ports by a party of Confederate pirates, and that a number of the principal persons connected with the undertaking, whose names were given, were passengers on the R. M. steamer *Tamar*, from St. Thomas, which arrived at Aspinwall on the morning of that day and intended taking passage in the company's steamer *Guatemala*, which sailed from this port on the same day, with the intention of putting their designs in execution. The *Guatemala* having put to sea before the arrival of the *Tamar's* passengers on this side, the plans of the pirates were for the time frustrated. As another of the company's steamers did not leave here before the 10th of November, the conspirators were obliged to remain in this city till that date before an opportunity offered for them to carry out their diabolical purposes. In the meantime information of the plot had been received from other sources, and the managers of the railroad fully matured their plans for the capture of the entire gang. The matter was kept a profound secret until noon on Tuesday (10th,) when the steamer *Salvador* was ready to put to sea. The passengers embarked as usual, apparently no suspicion being excited until all were placed on board the steamer. Immediately on coming on board the passengers were requested to enter the main saloon, all other rooms having been previously locked in order to have their tickets examined and berths assigned. A signal was then given to the commander of the United States ship *Lancaster*, who, with a force of armed marines, was stationed on and along side the P. M. S. S. Company's steamer *Sacramento*, lying a short distance from the *Salvador*, that all was ready. Captain Davenport was soon on board the *Salvador* with the requisite force, and, after announcing to the passengers that he had taken possession of the ship, proceeded to read the passenger list, requiring each person to respond to his name and show his ticket. Several were soon recognized as the persons of whom information had been received, and, on being examined, letters of marque, commissions from the Confederate Government, handcuffs and arms were found on their persons. The evidence being conclusive, Captain Davenport took the steamer to sea accompanied by the *Lancaster*.

HEADQUARTERS DISTRICT OF OREGON,
FORT VANCOUVER W. T., Dec 1, 1864.

[GENERAL ORDERS, No. 25.]

I. Hereafter, all commanders of volunteer organizations raised in Oregon, will furnish the Adjutant General of that State, with a copy of the muster roll of their company, every two months, commencing on the 31st day of October, 1864.

II. The Assistant Commissary of Musters will furnish the Adjutant General of the State of Oregon, with a list of the Oregon volunteers mustered out of service; including all the information on the muster-out rolls.

III. Several fires having occurred lately at posts in this district, the General commanding directs, that the commanding officers of the several posts, make frequent and careful inspections, and see that proper precaution be taken against fire; that the chimneys are secure; that no stove pipes be permitted to run through the sides of buildings, or out of windows, where there is the least possible danger of fire occurring thereby; also, if ashes are kept in wooden boxes or barrels, see that they be placed at a safe distance from any building.

Commanding officers are also directed to see that their posts are kept well supplied with buckets, ladders, and other conveniences to extinguish fires in case they occur.

IV. The Quartermasters at every post in this District, will furnish to these headquarters, at the end of every month, a list of the means of transportation on hand, and the condition of the same.

V. The attention of the commanding and all disbursing officers is again called to the necessity of practicing the utmost economy. They will vigilantly guard the public service against all waste, extravagance, or neglect.

VI. At the end of every quarter, commencing the 31st of December, Commanding officers of posts will furnish these headquarters with a statement of the ordnance and ordnance stores on hand.

VII. Second Lieut. W. I. Sanborn, 1st W. T. Infantry, A. D. C., is hereby announced as Acting Assistant Adjutant General at these headquarters.

BY ORDER OF BRIG. GENERAL ALVORD:
W. I. SANBORN,
2d Lieut. 1st W. T. Infantry, A. A. A. G.

Law Concerning the Apportionment of School Fund.

Section 5th of the School Law—Art. 4th. The County Superintendent "shall on the first Monday of March, of each year, make an apportionment of the entire School Fund then in the County Treasury, among the several School Districts of his County *that have reported to him, as required by this Act*, in proportion to the number of persons in the District over the age of four and under twenty years; as soon as he shall have made such apportionments, he shall draw orders on the Treasurer in favor of the Districts for their respective shares, and immediately transmit the same to the Clerks of the Districts."

Sec. 12th—Concerning School Districts.—"Districts shall not be entitled to their proportion of the School Fund, at the disposal of the County School Superintendent, *unless they shall report to him by the first Monday of March* of each year and shall have had a School taught in their District of three months duration. When thus forfeited, it shall revert to the County Fund, and be subject to general apportionment."

Districts having schools sustained by tax or otherwise, will see the necessity of organizing regularly and reporting through their Clerk, in his official capacity, if they wish to secure their portion of the School Fund.

Superintendent Schools for Multnomah Co.

THE ARMING OF THE NEGROES BY THE SOUTH—THE TIME NOT YET COME.—The following is taken from the Mobile *Register*:

A year ago we called attention in these columns to the reserve power of resistance to our enemies residing in the slave population of the South. We advocated then, as a last resort and one to be tried without hesitation, the arming of the negroes whenever it become necessary to secure our independence. The question is recently revived, and is attracting more than usual attention. It is well that the public mind, as well as the policy of the Government, should be settled upon the question against the time when we may have to call upon this means of defense. We do not think the time has yet come. For this campaign it would be too late, even if it were needful; and for the next—and who knows if we are to have another—there is time to act after the present campaign is finished. On this subject we copy the following remarks from the Richmond *Enquirer*, and for Alabama we are prepared to say as the Virginia editor does for his own State—"Virginia, after exhausting her whites, will fight her blacks through to the man. She will be free at all costs."

A wag says the greatest fire on record was when the Boston fire department played on eighty pianofortes at one time, at the burning of Hallett & Davis' manufactory.

LAWS OF OREGON.

Acts passed at the Third Regular Session of the Legislative Assembly.

AN ACT to amend an act entitled "An act requiring the oath of allegiance in certain cases," approved, Oct. 15th, 1862.

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. That Sec. 1, of said act, be so amended as to read as follows: Section 1. That in all cases where any officer, whether civil or military, of this State, is about to enter upon the duties of an office, or where money is or has been appropriated out of the public treasury, the Secretary of State shall not draw his warrant in favor of the claimant or person for whose benefit such appropriation is made, unless such claimant shall first take and subscribe before an officer having authority to administer the same, an oath or affirmation, substantially as follows, viz: I, A. B., do solemnly swear (or affirm,) that I will support, protect and defend the constitution and government of the United States against all enemies, whether foreign or domestic, and that I will bear true faith and allegiance and loyalty to the same, any ordinance, resolution or law of any State, convention or legislature to the contrary notwithstanding; and further, that I do this with a full determination, pledge and purpose, without any mental reservation or evasion whatever; and further, that I will well and faithfully perform all the duties which may be required of me by law, so help me God.

Approved, October 22, 1864.

HOSTETTER'S

CELEBRATED

STOMACH BITTERS.

THE OPERATION OF THIS PALATABLE REMEDY upon the stomach, liver and excretory organs is singularly soothing and conservative. It regulates, recruits and purifies them. Dyspepsia in all its forms yields to its control and invigorating properties.

Invigorate the System.

Vigorous digestion and pure bile produce nutritious blood, and nutritious blood a healthy frame. Does the victim of a dyspeptic stomach and a disordered liver desire to know how the digestion may be improved, the bile and other fluids of the body purified?

Dr. Hostetter's Stomach Bitters

Will accomplish this desirable revolution in the system, regulating the secretions and excretions, giving tone to the animal juices which dissolve the food, strengthen every relaxed nerve, muscle and fibre, and bring the whole machinery of vitality into vigorous and healthful play.

Strengthen the System.

The best means of imparting vigor to the broken-down frame and shattered constitution, which has yet been invented or discovered, is proffered to the feeble of both sexes and all ages in

Dr. Hostetter's Stomach Bitters.

Debility, from whatever cause arising, may be cured; strength, in whatever manner it may have been wasted, may be restored by the use of this powerful and healthy invigorant. For Indigestion and all its painful effects, bodily and mental, they are a positive specific.

A Word to the Aged!

In the decline of life, the loss of vital force consequent upon physical decay can only be safely supplied by some vivifying preparation which recruits the strength and spirits, without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged

Dr. Hostetter's Stomach Bitters.

As an invigorant and restorative, immediate in its beneficial action and permanent in its effects. It tones the stomach, improves the appetite, and acts like a charm upon the spirits.

For Females:

Thousands of ladies use it as a remedy for hysteria, fluttering of the heart, nervous headache, vertigo, general debility, and all peculiar disturbances and derangements to which their sex are subject. It cheers and enlivens the depressed mental powers, as well as strengthens the body, and its use is never followed by any reaction.

A Greenback Case!

HAVING BEEN COMPELLED TO ACCEPT OF Legal Tender Notes at par since the 17th day of December, 1862, for the rent of my building, the brick store, corner of Morrison and Front streets, I feel compelled to announce for the benefit of the public at large, that

Jacob Mayer

Leased the building of me on the 17th day of February, 1862, for a term of years, at which time there was no such currency in vogue, and it was understood the terms were CASH. Since the date above stated I have received the depreciated currency regularly, under protest for the rent of the

CITY OF PARIS STORE,

Making less than two-fifths of the real amount said Mayer was to pay. He had secured the building at very advantageous rates, and even were he now to comply with his contract, and pay in COIN, would be getting the best bargain in the city. I make this statement to show the public what kind of a man he must be to take such undue advantage of the times to convert a few dollars to himself by LEGAL SWINDLING. The public can readily see what it costs to have such tenants. G. W. VAUGHN.

From the army Hospital—the bloody battle-field—the mansion of the rich and humble abodes of the poor—from the office and the sacred desk—from the mountain top, distant valleys, and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands and thousands of letters like the following may be seen at our office:

REEDSBURG, WIS., Sept. 16, 1861.

" * * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me. * * *

SOUTH WARSAW, O., July 29, 1860.

" * * * One young man, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $150 without benefit, has been cured by two bottles of your Bitters.
EDWARD WORNALL."

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH ST., }
New York, August 1, 1863. }

"DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * * Respectfully,
MRS. O. M. DEVOE."

" * * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER, Madrid, N. Y."

" * * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use. Thy friend,
ASA CURRIN, Philadelphia, Pa."

" * * * I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. J. S. CATHORN, Rochester, N. Y."

" * * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which is daily increasing with the guests of our house.
SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C."

" * * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.
G. W. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O."

" * * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.
H. B. KINGSLEY, Cleveland, O."

" * * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.
C. C. MOORE, 254 Broadway, N. Y."

etc. etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon, is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

CONSTITUTION WATER,

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once reinforced, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom or an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor.—The medicine reaches the CONSTITUTION itself, and restores it to its normal condition.

CATARRH OF THE BLADDER,

URINATING,
CALCULI, GRAVEL,

OR MILKY DISCHARGES AFTER URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give praise to

CONSTITUTION WATER.

Males or Females,

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Has been used with Great Success in Curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chills, Diarrhœa, Boils, Nervous and Prostrating effects of Lead or Mercury,

GENERAL DEBILITY,

and all Diseases which require a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY ARE SO NUMERous, so well authenticated, and of such peculiar character that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a remedy is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

Certificate of Dr. Hayes.

It is well known that the Medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by combination in a way before unknown; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M. D.

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, but it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is used upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS and GLANDULAR
SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER,

without a solvent. This is asserted impossible by the scientific world, as attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the faculty that it was published in the Medical Journals, and its use recommended to practitioners, (see "American Medical Monthly," July 6, 1860, page 70.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

LUNG BALSAM!

The Remedy for Curing

CONSUMPTION, COUGHS, COLDS,

Asthma, Croup,

Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS' TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction even in the MOST CONFIRMED CASES OF CONSUMPTION. IT IS WARRANTED NOT to produce costiveness (which is the case with most remedies), or affect the head, as it contains no Opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it, if only taken in time.

Sold by all Druggists. Price $1 per bottle.

LE DOYEN'S

SARSAPARILLA, YELLOW DOCK

—AND—

IODINE ALTERATIVE

FOR THE

CONSTITUTION.

CLEANSE THE BLOOD.

WITH corrupt, disordered or vitiated Blood you must be sick all over. It may burst out in pimples or sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring their tone and repelling disease. Hence it rapidly cures a variety of complaints which are caused by impurities of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases.

Blood and Liver.

This valuable Medicine is now available to the public for the cure of

SCROFULA, CONSUMPTION, RHEUMATISM, CANCER,
HEART, LIVER AND KIDNEY DISEASES,
NEURALGIA, NERVOUS AFFECTIONS, BRONCHITIS,
DYSPEPSIA, &c.

AS A TONIC,

its operations are evinced by strengthening the digestive organs and increasing the appetite. In cases of Dyspepsia, Emaciation and Debility, an increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Are you sick, feeble and complaining? Are you out of order, with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping over you, and should be averted by a timely use of the right remedy. Take Le Doyen's Sarsaparilla, and cleanse out the disordered system—purify the blood, and let the fluids move on unobstructed in health again.

AS A LITHONTRIPTIC,

it has no equal; being chemically combined with Iodine, it possesses in a high degree the power of dissolving Stone in the Bladder, and ureters of the kidneys, preventing gravel formation and enlargement of the prostrate gland, irritation of the neck of the bladder, dropsy, etc.
